Still no word from Lazarus, and no wire, but I am not surprised. We'll file the Lien on Monday, as Theresa is out of town and has to sign it.

thanks

Subject: FW: Lazarus Energy payment by wire? NOTICE of INTENT to LIEN

Dear Christian:

I am chagrined to hear that Gainco, Inc. shouldn't expect payment on Lazarus Energy's invoices incurred for environmental remediation at Falcon Refinery I in Ingleside, TX, at any time soon, because "money is a bit tight for

us right now, we don't have any customers there", which were your comments during our telephone conversation a few moments ago. Gainco, Inc. has provided nearly \$180K in services and expects to be paid in a timely manner. Gainco, Inc. has not received payment since January, 2012 on this project, with the exception of the approximately \$22,000 check we received on Monday, June 19, 2012. As I said on the telephone, this is not acceptable. Please see the outstanding invoices, attached, for which Gainco, Inc. demands payment immediately.

As I said, I have spoken to/emailed Johnathan Carroll, CEO Tommy Byrd, Vice President, Steve Wilson, Falcon Project Manager and Vicki Krupo, Accounts Payable Manager at your company for nearly a month, without a satisfactory response or a schedule as to when payment will be forthcoming, and I will no longer allow Lazarus Energy to use Gainco, Inc. and our personnel for its own gain.

I am holding the Board of Directors Meeting at 5pm today. I will recommend that we pull our crews from your job at Falcon Refining immediately, and Lazarus Energy may consider this Gainco, Inc.'s notice of our Intent to Lien. Should you wish to resolve this matter before further action is taken, my contact information is below. Govern yourselves accordingly.

Our wiring instructions are:

First Community Bank

Gainco, Inc. - Operating Account

Routing #: (b) (4)

Account #: (b) (4)

TIME IS OF THE ESSENCE.

Subject: FW: Lazarus Energy payment by wire?

Importance: High

Dear Vicki:

When we spoke last Thursday, you indicated you would attempt to get Gainco a minimum of 50% of the payment due on the \$145K outstanding balance you had at that time on your books by close of business, Monday, June 18. We now have several more invoices due. I have attached all of the outstanding invoices, past due and current, for your records. We haven't received any payment other than the \$22K check you sent which we received on Monday. I must have confirmation of your intent to pay and the status of the payments to prevent a Lien being filed against Falcon Refinery I. The Board of Directors, of which I am Chairman, meets on Thursday.

In case you don't have the wire info, here it is again:

First Community Bank

Gainco, Inc. - Operating Account

Routing #: (b) (4)

Account #: (b) (4)

Please advise as to when we might expect the wire or if you are sending a check via Fed X.
Thanks for your attention to this matter.
